I love butterflies.
I love the orange and
black ones.

In the fall, they fly south.
They fly away from me.

In the spring, they
fly north.
They fly back to me.

They fly back to lay
their eggs.
They need the right
plants for their eggs.

I plant seeds in my yard.
I water the seeds.

I watch the seeds sprout.

I watch the plants grow.

My yard has the right
plants now.
Welcome back, butterflies!
