Name _____

Instructions: In the sentences below, locate and circle all of the verbs. Use a thesaurus to find another word that could be used in the sentence in place of the verb and write the word on the line. Hint: Some sentences contain more than one verb.

1. The dog walked to the edge of an icy river in Poland.

2. The dog was swept down the river on a sheet of ice.

3. He was trapped on the ice.

4. For three days, the dog drifted down the river on his raft of ice.

5. He passed through several more towns.

6. The dog was facing a deadly end to his adventure.

7. They lowered a net next to the dog.

8. Luckily, he was able to climb back onto the slippery ice.

9. The crew dried him and wrapped him in blankets.

10. The president of Poland wrote a letter praising them for saving Baltic's life.

Reading a-z

Use your own words to tell about the process, using time-order words such as *first*, *then*, *after that*, and *finally*.
