Focus Question

How are tree houses the same and different?

Tree houses are little houses
built up in trees.
Many tree houses are simple,
but some are terrific.

This terrific tree house wraps up and around the trees.

This terrific tree house
is covered with mirrors.

This terrific tree house
is shaped like an egg.

This terrific tree house looks like an eyeball.

This terrific tree house looks like an alien spaceship.

This terrific tree house looks
as if it belongs in a fairy tale.

This terrific tree house uses
tree trunks as legs.

This terrific tree house looks like a giant mushroom.

This terrific tree house is built inside the trunk of a tree.
What kind of tree house would you build?
