**Instructions:** Read the sentences below. Circle all the adjectives and underline the nouns or pronouns that they describe. Then, write your own sentence about hoofed animals using at least one adjective.

- ① The horns can be simple, curved, or spiral in shape.
- ② Giraffes are famous for their long blue-gray tongues.
- ③ A zebra's bold black-and-white stripes are a form of camouflage.
- ④ Ungulates are diverse creatures, each with a unique body and lifestyle.
- ⑤ Because they need to run, hoofed animals have long, strong legs and feet.
- ⑥ Hippos have slightly webbed feet with four toes and huge teeth that point up.
- ⑦ Pronghorns are extremely fast, and healthy adults can easily outrun predators.
- ⑧ Rhinos have three toes on each foot, while the horselike ungulates have just one toe on each foot.
