Name _____

Instructions: Use the conjunctions *and* or *but* to combine the sentences below into one complete sentence.

- ① Ants don't have ears. They can hear by feeling vibrations through their legs and feet.

- ② The jaws are used for cutting and carrying things. They are also used for digging and hunting.

- ③ The long, thin antennae bend in the middle. They are always moving.

- ④ The trail allows them to find food. It also helps them return to the colony.

- ⑤ Some ants build their colonies in wood. Usually, colonies are built underground.

- ⑥ All of these ants are female. Only one is allowed to lay eggs: the queen.

- ⑦ The queen is the leader of the colony. She doesn't tell the other ants what to do.
