

What are two opinions
in the introduction?

 Reading a-z

Fact or Opinion

What causes the Galapagos
Islands to have a cool climate?

 Reading a-z

Cause and Effect

How are non-native animals more
dangerous to the islands than
native animals?

 Reading a-z

Compare and Contrast

How does the author feel about
the Galapagos Islands?
How do you know?

 Reading a-z

Make Inferences

If humans bring non-native
animals to the islands,
how do you think these
animals become feral?

 Reading a-z

Analyze

How do you feel about programs
designed to destroy the
non-native animals in an effort
to restore the native ecology
of the islands?
