

**Instructions:** Describe Beowulf’s actions during each of the four phases of The Hero’s Journey on the chart below. Then, list the character traits that he exhibits during each phase. On the back of this paper, summarize the information on the chart to explain why Beowulf is a hero.

- The Call to Adventure** The hero is called to go on a quest to seek an object or specific knowledge, which will somehow save the ordinary world.
- The Challenges** During the journey, the hero encounters enemies, battles, and temptations.
- The Supreme Ordeal** The hero undergoes a transformation, or change, which can take many forms and affects the actions and decisions the hero makes.
- The Return** The end of the journey occurs when the hero returns to the ordinary world.
