Instructions: Identify each picture. Then, fill in the missing vowel and the silent -e at the end to correctly complete each word.

① Cranes migrate north in the spring.
They go north to make nests.

② Cranes stay at the river for three weeks.
They eat and grow strong.

③ Mates dance with each other. They will stay
together for life.

④ Cranes will build a nest together. They will
raise the chicks together.

⑤ The chicks will fly back to Nebraska in
the fall. They will stop to rest and feed.

Instructions: Read each pair of sentences. Then, draw a line under the pronoun *they* in the second sentence and circle the noun in the first sentence that it replaces or represents.
