

Name _____

Instructions: Choose three sections from the book. Write the name and main idea of each section in the left-hand boxes. In the right-hand boxes, list at least two details that tell more about the main idea.

<p>Section: _____</p> <p>Main Idea:</p>	<p>Details:</p>
---	------------------------

<p>Section: _____</p> <p>Main Idea:</p>	<p>Details:</p>
---	------------------------

<p>Section: _____</p> <p>Main Idea:</p>	<p>Details:</p>
---	------------------------

Skill: Main Idea and Details

Name _____

Instructions: Circle all of the adjectives in the paragraph. Next, underline all of the nouns that are being described. On the line below, write a sentence about the ocean that includes at least one adjective.

Diving Deep in the Ocean

Deep divers wear a special hard diving suit to protect them from the water pressure. For really deep dives, groups of two or three scientists ride in a small submarine called a *submersible*. Some of these submersibles have robot arms that can collect samples of water, soil, and small animals underwater.

My Sentence:

Name _____

Instructions: Match the words in the left-hand column with the words in the right-hand column to create compound words. Write the compound words you created on the lines below. Then, write a sentence using one of the compound words.

under

sun

star

seven

every

foot

with

up

fish

out

light

print

teen

stream

where

water

My Sentence:
