

Name _____

Instructions: Write the main idea and supporting details of the book. Then write a summary using the main idea and details you've already gathered.

Mother Teresa: Mother to Many • Level M • 1

Skill: Main Idea and Details / Summary

<p>Main Idea</p>	<p>Details</p>	<p>Summary</p>
-------------------------	-----------------------	-----------------------

Name _____

Instructions: Each sentence below is from *Mother Teresa: Mother to Many* and contains a compound predicate. On the lines underneath, write two separate sentences using the same subject. One sentence will contain the first predicate and the other sentence will contain the second predicate. Remember each predicate begins with a new verb.

Example: Each sentence below is from *Mother Teresa: Mother to Many*.
Each sentence below contains a compound predicate.

① She was named Agnes and was the third of three children.

② She cared for sick people and fed those who were hungry.

③ Agnes left her family at age eighteen and went to Ireland.

④ There she became a nun and chose the name Sister Teresa.

⑤ She taught there and later became the school's principal.

Name _____

Instructions: Write one sentence containing the homophone *there* and a different sentence containing the homophone *their*. Then on the bottom lines, write three different sentences containing both.

1

2

Example: (*there/their*) *There* was a grocery store next to *their* school.
