

Would you classify this book as fiction or nonfiction? Why?

Reading a-z

Analyze

*Dinosaurs and humans have never walked the Earth at the same time.* Is this statement a fact or an opinion? How do you know?

Reading a-z

Fact and Opinion

How do you think the findings of cave drawings affect our view of prehistoric peoples?

Reading a-z

Cause and Effect

Why do you think early humans who lived near caves in France only painted animals, symbols, and people? Why didn't they paint other items, such as plants, flowers?

Reading a-z

Evaluate

What would happen to the caves if objects such as purses and back packs were allowed inside?

Reading a-z

Inference

What did the boys learn at Prehisto Parc that is different from what you see in the movies or read in fantasy books? Give some examples from the text.
