Friends Around the World

hi, my name is jessica. I'm an aboriginal australian. aborigines have lived in australia for tens of thousands of years. my brother and I like to throw the boomerang outside our house. aborigines used boomerangs to hunt many animals, including birds and kangaroos. a kangaroo is an animal that only lives in australia.

hi, I am called kipanik, and my people are inuit. we live in far northern canada, near the arctic circle. it is snowy and cold here most of the time. my family often uses a dogsled to travel through areas covered with snow.

hello, my name is manka, and I live in tanzania. my people are called masai. my father and the other men take care of the cattle. cattle are very important to masai people.

hello, I am natasha, and I am seven years old. i live in an apartment in the city of moscow, russia. i practice my ballet dancing there when I am not in school. it gets very cold in moscow in the winter.

Name _____
