11. Answers will vary but should include that the reader would have known the thoughts and feelings of the other characters in the story, including Artie, Charlotte's dad, and the doctor. Having these insights might have given the reader more clues about the Collective and the Resistance's true intentions.
12. Answers will vary but should include that Artie says the Collective is more concerned about Earth's survival than "winning" the war against the Resistance. Artie says they are trying to save Earth, not to take over.
