

Name _____

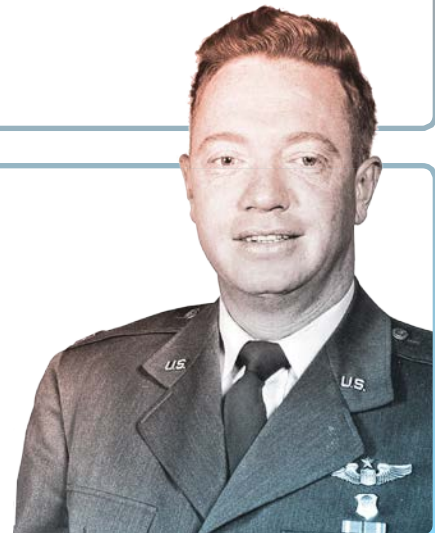

Instructions: In the first row, write what you already know about Joe Kittinger. In the second row, write what you would like to learn. After you finish reading, fill in the third row with information you learned from reading the book and the fourth row with what you still want to know about Joe Kittinger.

K: What I Know

W: What I Want to Know

L: What I Learned

S: What I Still Want to Know

Name _____

Instructions: Write what happened in the order in which it happened.

Beginning

<div></div>	<div></div>	<div></div>	<div></div>
<div></div>	<div></div>	<div></div>	<div></div>
<div></div>	<div></div>	<div></div>	<div></div>

End

<div></div>	<div></div>	<div></div>
<div></div>	<div></div>	<div></div>
<div></div>	<div></div>	<div></div>

Name _____

Instructions: Circle the compound adjectives in the sentences below. Then, underline the noun or nouns that each adjective describes.

- ① Joe had proven that a human could survive outside a spacecraft at near space-like conditions.
- ② Joe made several high-altitude flights in a balloon.
- ③ It took him 72 hours to fly the record-setting distance from Nevada to New York.
- ④ Alan Shepard, John Glenn, and Sally Ride are all well-known American astronauts.
- ⑤ Joe joined a project to develop safe ways to escape from high-altitude aircraft.
- ⑥ Humans zoomed into space in rocket-propelled capsules.
- ⑦ Joe floated for another four and a half minutes before his full-sized parachute opened.
- ⑧ Space really does not have a well-defined border.
