**Instructions:** Circle the conjunctions in the sentences below. Then, write your own sentence about the Revolutionary War using a conjunction.

- ① The tribes did not have the same concept of land ownership as the Europeans and often didn't realize the rights to or quantity of land they were giving up.
- ② The French depended on supplies coming out of these areas, because they were crucial to survival in the New World.
- ③ The soldiers needed places to live and food to eat, and Britain needed money to pay off the massive war debts it incurred fighting the French.
- ④ It taxed Spanish and French molasses and sugar bought by colonists.
- ⑤ Originally founded in 1619, it was the first elected assembly in the New World, and the other colonies looked to it as an example.
- ⑥ The picture was not a true account of events, but it gave Adams the result he wanted—it enraged many colonists.
- ⑦ They disguised themselves as Native Americans so they could not be blamed for the trouble they caused.
- ⑧ That put many Boston colonists out of work and made them worry that they would starve.
- ⑨ The British soldiers tried to walk past the militiamen, but an unordered shot rang out.
- ⑩ Patriot leaders Hancock and Adams escaped arrest.
