

Name _____

Instructions: Choose details from each section of the book. Consider whether these details inform, persuade, or entertain the reader, and record them in the appropriate evidence box. Then, examine the evidence and check the box in front of the term that best describes the author's purpose for this book.

Name _____

Instructions: Combine each pair of simple sentences to make a compound sentence. Remember to use a comma and one of the following coordinating conjunctions: *and, therefore, but, unless, now, or*.

- ① Astronauts would eventually run out of food and water. They could make more along the way. _____

- ② One hundred thousand people visit Biosphere 2 every year. About ten thousand of them are students. _____

- ③ The closed ecosystem didn't work as well as the scientists had hoped. They gathered important data and learned how to do things better in the future. _____

- ④ They needed oxygen pumped inside. They would have to call off the experiment. _____

- ⑤ Biosphere 2 once gave them data about life in space. It tells them what to expect from life on Earth. _____

- ⑥ I still have plenty more to learn about science. I do know that any experiment can teach us something. _____

- ⑦ The University of Arizona was given Biosphere 2. The focus of the science shifted from outer space to Earth. _____

- ⑧ It was hard getting everything from the ground to the table. The people didn't have enough calories and lost a lot of weight. _____

Name _____

Instructions: Choose a word from the left column and the right column to make a compound word. Some compound words will be closed compounds and some will be open compound words. Write the new words on a line in the middle column. Circle the open compound words, and write a definition for each open compound on the other side of the page.

Words	Compound Words	Words
air	_____	room
natural	_____	flies
fire	_____	change
climate	_____	bow
thunder	_____	dioxide
global	_____	estate
soft	_____	storm
living	_____	services
rain	_____	pressure
real	_____	warming
carbon	_____	ball
