We dig a small hole.
We scoop out the dirt.

We put water in the hole.
We mix the dirt and water.

We scoop up the mud.
We pat the mud flat.

We shape the mud into a ball.
We make it round and smooth.

We find some sand.
We roll the ball in the sand.

We find a sunny spot.
We leave the mud balls in the sun.

We come back later.
Now the mud is dry and hard.

We made mud balls!
