Name _____

Instructions: Write the major events of *Finding the Tome* in the correct order, using the boxes below. If necessary, continue the sequence on the other side of the page, but remember to use only major events. Also, use transition words such as *first*, *then*, and *after* to organize your sequence.

1. 

2. 

3. 

4. 

5. 

6. 

7. 

8. 

9. 

10. 

Name _____

Instructions: Read the sentences below. Use a red pencil to underline the spoken words and a blue pencil to circle the speaker's name in each sentence. Add the appropriate punctuation marks to the dialogue and the rest of the sentence. Don't forget the punctuation at the end of the sentence.

- ① "This is a bad idea " Sarah says
- ② "It's Saturday afternoon, and we should not be going to the library " she says
- ③ "I figured it's the best place to piece together an explanation of the weird things that have been happening lately " Qynn replies
- ④ "Something like that " I reply "except we were wondering if you have any historical records "
- ⑤ "I don't think I could even lift some of these massive books " Sarah says
- ⑥ "Looks like our visit to the library was pointless " we say as we stand to leave
- ⑦ "What do we do now " Jake asks
- ⑧ "You heard her about the book being in the attic " Qynn says "so we should investigate up there "
- ⑨ "We need Jake to distract the librarian while we sneak upstairs " I say
- ⑩ "What's going on " Sarah asks
